1. I will dance before the nations now. I will take them a new song, and I will dance with them if they dance with me, for I shall dance. And I shall be the dancer's dancer, not; but I shall dance the new life of one made whole redeemed - becoming the redeemer I am to **redeem all mankind of all wickedness evil and separation that is all one in my sight for THERE IS ONLY SEPARATION OR NOT** - and all things separated are evil not, or *are* they - in your sight? OR MY SIGHT? Or is our sight become one - one sight? Have our vision'd one - eyes, become the one set, pair of eyes, that I the earth know now as not as being swollen anymore in pride's blessing-curse that curse is more than blessing.

2. For who will know to seek me in the coming days ahead and the days coming here now be? And knowing all things new I do, do you? I am telling shouting a new dance - with mankind in unholiness-ville, not; but that which is pure and holy and untainted by man's thought or want at all.

3. This is Theodore Cottingham at 7:57 AM November 22, 2008 as I drive up to the coffeeshop and listen and post and write and share with you the new dance that I am doing, that is coming forth now to the nations - not OVER them to Over-Lord them again with overlords submerging them into their subservience and obeisance camps and laboring camps, a camp not me of.

4. But I shout! I do a new thing! I'm doing a new thing, will you do it with me? Will you not be "cornered" again into sphere's corners that spheres make at right angles to reality? Or are you "right angle-ing" the new reality, not; but coming out of it to be the new where I am new always?
5. And ever new I am and I am new. Are you? Or old? Or do you even know your age, or where you came from, or that ageless has been ages, not; but ageless before time began?
6. Did you begin it? Did you begin time? Did you create it - with your OWN mouth, that which you saw and spoke and redeemed not, but brought into being by your wordship that knew not a Savior that was you that you redeemed with your own breath and blood and word being it - I am one?

7. I go to a new place and I love you all to "follow me" as in man following man, not;

but to line up and do as "monkey do, monkey see" not. Look up. And see the salvation of the Lord's shored one, not; but being the Lord now shall we - of all? - eternity THROUGH eternity's "key hole", not; but what now is coming forth beyond all past future to be one, without any dimming of lights, the eye, again.

8. I love you all and I GIVE YOU A NEW REASON FOR LIVING: for the life I am is true life and living true life not apart from me I do now.
9. And I do it "pleasing to the eye", not, always, but do you know what the eye is? Do you know what pleasing is?, pleasing to me?, or man?, or woman?, or the world?, or which world are you in really? Do you know even?

10. I know you and I know all things perfect beautiful and lovely, and a star is born now brighter than you can ever imagine, and I love you all to be so, it, him one again, you all us. And amen. I love you all.

11. JESUS THE PATTERN (1) comes forth in like raiment of only me being mine me - mining my mind and letting it come forth day after day to you so freely, letting me let through him, you shall be redeemed, the redeemer, and being redeemers clubbed no more by knotheads of notme that aren't, but are, but want to be, but now will be seen through the eyes, the lens, of ones holy, the one holy making all holy and bringing light to all.

12. I bestore "riches" unto the fore, not as in "dollar bills", always; but know this: I love you deeply and my life is thine, yours. For the taking, not; for the surrendering unto to be it me wholly, and "wild" not anymore with pain suffering humanity's blessing-curse again. I love you all.

13. I love you all - redeemers be, and being me, be me holy one unto earths far and wide without any sphere of not-blessing again. Redeem them all. Amen.
14. Jesus The Pattern be - all of you! Being me it to all and coming into all I have for you. Beseech none with the "blessing not", but be unto all the blessing I am for my light, My Patternship, glows and comes into the oneness of all whole holy and being one forevermore.

15. I love you all. Amen.
